G. Henry Millers Awarded PTA Life Membership Pins

Founder's Day was noted last Thursday by Seaside PTA who presented two of its members, Mr. and Mrs. G. Henry Miller, with honorary life membership pins for their efforts on behalf of the youth of the community. Mrs. Paul Barth, life membership committee chairman, in making the award explained its significance to the recipients and to the National Congress of Parents and teachers.

A brief history of CCPT was given by Mrs. Miller as were history highlights of the newly organized association. Corsages were presented to Mrs. Paul Roetger, Seaside's only past president; Mrs. A. C. Turner, president of Torrance Council PTA, and Mrs. Mark Wright, member of Torrance Board of Education.

The Founder's Day theme was suggested in the inspirational message presented by Mrs. Denmarsh and a group of students, and during the refreshment hour spring fashions from Kale's, Torrance store, were modeled by a group of dancing school pupils.

A highlight of the afternoon was an interesting talk by Mrs. Don Hyde, chairman, Torrance branch, American Red Cross, who suggested ways in which the civilian may help in time of disaster, and suggested means of preparing for an emergency.

Following the presentation of useful and attractive gifts, games were played and refreshments were served from a buffet table catered with red and white entrainments, suggesting the Valentine motif.

Present were: Mesdames Cecil England, Philip Jensen, Dean Lougee, Frank Franzen, Frederick Cook, Howard Heusing, Joy Prime, Helen Levy and the Misses Pat Cleve, Lorene Littrell and Nancy Prime.

Industrial Guidance Tests Discussed Before Clubwomen

Mrs. Polly Allison, District Program Co-ordinator, was the guest speaker at the dinner meeting of the National Business and Professional Women's Club of Torrance held Monday evening in the Persian Room, Wilmington, with Miss Lucille Stroh and Mrs. Ruth Davis, chairmen. Forty-five members and guests were interested listeners to Mrs. Allison's explanation of the Johnson Temperament Charts. These tests and graphs are used extensively in industry to profile a person's emotional quotient and where guidance is needed, suggestions are made in an effort to overcome or build up various traits.

Mrs. Myrl Cypher, of Long Beach, District Legislation Chairman, also was a guest of the club.

Regular business meeting will be held March 5 and all members are requested to be present, according to Helen Williams, News Service Chairman.
